

In Remembrance of Duff Cady

Duff was one of our Licensed Teachers and I'm sad to say that he passed on to the other side Saturday July 25 at 1:30pm. He was on his way to teach a class and had a heart attack as he was getting off an airplane.

Duff was a wonderful person who was always in good humor and had something positive to say about everyone. Having lots of funny stories and jokes to tell, it was always good to see him. He was also a great healer and used Reiki in unique ways and combined it with other healing skills and gifts to develop his own techniques. Duff was the one who discovered the location of Mrs. Takata's Reiki clinic in Hilo, Hawaii.

We will always remember him as a kind and loving person who lived the gift of Reiki.
